

We Are Looking For Student Design Facilitators To Join Our Team!

Join Lumi.Network, a London-based, global Ed-Tech venture

- Get a chance to lead 10-25 year olds worldwide and help them design real solutions to the biggest global problems.
- Develop the most in-demand skills e.g., user experience design, industry standard AI and prototyping tools, entrepreneurship & design-thinking.
- Build a global profile & network with an opportunity to get in front of global corporate sponsors and partners.

Lumi has worked with leading State & Private Schools across UK, Mexico, South Korea, India & UAE

What We're Looking For

- Have experience/interested in working with 10-25 Yr olds
- Interested in exploring and delving into real world problems
- Keen to facilitate and communicate the design process
- Enthusiastic about AI, entrepreneurship and working in a startup
- Interested to work with corporate partners and business

What We Offer

- Exposure to corporate leadership through partnerships
- Increased payments reflective of commitment and recognition
- NSPCC & DBS Certifications
- Design Thinking Certification
- Facilitation Training
- Opportunity to work in other areas of interest
- Access to global peers and colleagues
